

REMARKS

Applicant requests that the claims as amended above be examined in this divisional application. The status of the claims is as follows. Claims 1-18, 42, 44, 45-48 (originally numbered 44-47) have been canceled herein and Claims 19-41, 43 and 49-50 (originally numbered 48-49) are presented herein. Claims 19, 21, 23, 24, 26, 29, 38 were amended herein and Claims 49-50 were renumbered only. The amendments to the claims are fully support by the originally filed Specification and originally filed claims. The Specification was amended to add reference to the parent application and to correct an obvious typographical error.

Respectfully submitted,

Theodore J. Leitereg
